Title: Room with A Sutton Place View. "Sutton Place" is a short north-south thoroughfare, and surrounding neighborhood, on the East Side of Manhattan with numerous real and fictional associations of note including famed actors, rock stars, songs, novels, plays, and movies. The grand Ed Koch Queensboro Bridge (renamed in honor of the former Mayor) is in the foreground, with Long Island City, Queens, immediately across the bridge, and Brooklyn following to the right, each with their own fascinating stories.
